

Canadian Valley Technology Center
National Technical Honor Society
Attn: Andrea Verser
1401 Michigan Ave.
Chickasha, OK 73018

Dear National Technical Honor Society:

The kindness you have shown is making a huge difference in the lives of families battling pediatric cancer. With Korral families checking in and out over 3,500 times during the course of a year, you can imagine how many items we need to make the Korral run. Thank you so much for the cleaning supplies and money. The items you donated help ensure that everything at OK Kids Korral is ALWAYS free of charge.

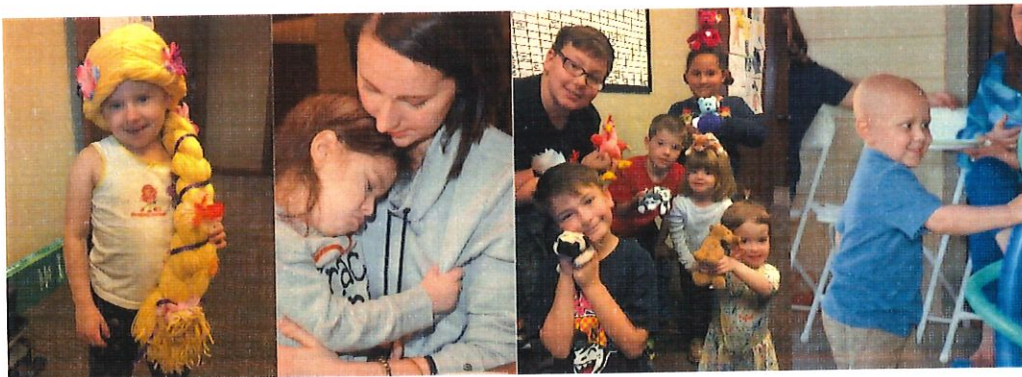

OK Kids Korral saves our guests time and money as well as giving them a place to rejuvenate. But just as important, the Korral is filled with people who care about one another and provide a necessary support system. Your generosity gives each of our families, our staff and our volunteers a renewed, hopeful outlook. Your thoughtfulness is medicine for us all!

Warmest regards,

Juliet Nees-Bright
